Vinny Ramos

New York City | P: 347-255-4099 | vinnyramos321@gmail.com

Education

Bronx Community College January 2022 - Present
Associates of Science in Computer Science
GPA: 3.51/4.00; Dean's List

Work Experience

Bronx Community College Bronx, NY
Computer Lab Assistant August 2022 - Present
- Precisely troubleshooted computer hardware and software, consistently minimizing downtime for peak productivity.
- Aided students in resolving technical issues promptly through phone, email, and text communication channels

Projects

[Portfolio Website](#) January 2023 - Present
- Designed, developed, and deployed a responsive and intuitive website to display my projects using React, JavaScript, Railway, and Figma
- Translated design visions into pixel-perfect reality
- ensured seamless functionality and an exceptional user experience across various devices, including mobile phones and tablets.

Whiteboard June 2023 - Present
- Developed a web application reminiscent of MS Paint using React and Javascript, providing users with the ability to import, mark up, and revise photos and documents, all while incorporating user-friendly undo and redo features.

Elite Virtual Trainer August 2022 - December 2022
- Designed and developed an app which generates personalized fitness programs based on the user's goals and performance.
- Implemented a password less login system which generates and sends a one-time use passcode to users via email using the Vonage communication API.

Chess May 2023
- Developed a browser based chess game which allows player to play chess against their friends (locally) using React and Javascript
